Buying Prices

June 6, 2015

Information:

The more you have, the more we pay! **Call for bonuses over 200 pounds or more!

**All metals must meet our grading standards.

**All prices are in cents per pound unless otherwise noted.

Be sure to read below about the WA State Non-ferrous Scrap Metal Recycling Law!

If the total amount of your transaction for non-ferrous metal is more than \$30, we pay the first \$30 in cash and the rest by check issued at the time of the transaction.

Be sure to bring a valid, current, government issued driver's license or ID card with you *each time* you bring in scrap metal. **We do not accept punched or damaged ID cards.**

Aluminum cans are exempt from the Metal Law.

Batteries and Catalytic Converters ARE INCLUDED in the Metal Law.

We strive for accuracy in the following prices, however, the prices posted at our facility are what we pay if there is any discrepancy.
